### Warranty

BASE LINK TOILET SUITE	
<b>Warranty</b>	Domestic Use Warranty: 1 year on pan Standards: AS1172
<b>Warranty Covers</b>	Warranty covers faults in the product construction, material and assembly.  <i>This warranty does not include faults caused by:</i> <ul style="list-style-type: none"> <li>• Unsuitable or improper use</li> <li>• Normal wear and tear</li> <li>• Inadequate or complete lack of maintenance</li> <li>• Chemical, electrochemical or electrical influences.</li> </ul>
<b>Cleaning Recommendation</b>	The manufacturer recommends the use of soapy water or approved bathroom cleaners. The use of abrasive materials, corrosive or abrasive cleaning agents, acids or scouring materials should not be used to clean the toilet system. Damage caused by any of these treatments will void the warranty period.
