

CHROMAGEN ETERNITY T20 HWU

Technical Information

Chromagen Eternity T20 Continuous Flow Hot Water Heater	
Energy rating	6 Stars
Eternity remote controllers	Fit up to three remote controllers (optional)
Fuel type	Natural Gas or LPG
Dimensions	
Unit Height (mm)	542mm (plus bracket)
Unit Width (mm)	350mm
Unit Depth (mm)	170mm
Carton Weight (Kg)	14kg
Rating	20 litres per minute @ 25°C rise
Anti-frost	Standard
Ignition type	Electronic
Colour	Beige
Thermal efficiency	80.5%
Water connection	15 BSP (diameter)
Gas connection	20 BSP (diameter)
Minimum water pressure	200kPa
Maximum water pressure	1200kPa
Optimal water pressure	500kPa
Warranty	10 years heat exchanger 3 years parts & labour
