

CHROMAGEN ETERNITY T26 HWU

Technical Information

Chromagen Eternity T26 Continuous Flow Hot Water Heater	
Energy rating	6 Star energy efficiency
Eternity remote controllers	Up to three optional remote controllers
Fuel type	Natural Gas / LPG
Dimensions	
Unit Height (mm)	542mm (plus bracket)
Unit Width (mm)	350mm
Unit Depth (mm)	230mm
Carton Weight (Kg)	17kg
Rating	26 litres per minute @ 25°C rise
Anti-frost	Standard
Ignition type	Electronic
Colour	Beige
Thermal efficiency	79.6%
Water connection	15 BSP (diameter)
Gas connection	20 BSP (diameter)
Minimum water pressure	200kPa
Maximum water pressure	1200kPa
Optimal water pressure	500kPa
Warranty	10 years heat exchanger 3 years parts & labour
